SUMMER IN THE CITY

Thursday, July 15
11:30 a.m. – 1:00 p.m.
Center for History
808 W. Washington St., South Bend

Event Description

Now that summer is upon us there are many things to see and do in the Michiana region! From concerts in the park to canoeing down the St. Joseph River, fairs and festivals - the options are nearly endless!

Betsy Kwiatkowski with the South Bend/Mishawaka Convention and Visitors Bureau, Marilyn Thompson with the Center for History, a representative from Downtown South Bend, Inc., and Evie Kirkwood with the St. Joseph County Parks will share with us some of the upcoming events taking place this summer.

Come see all the things you can do in the next few months to take advantage of the warm weather and experience first hand all that our area has to offer! A summer events calendar and event promotional fliers will be available for attendees following the program.
